

Wellington Road Family Practice

New Patient Health Questionnaire – CHILD UNDER 12

Thank you for your interest in registering with Wellington Road Family Practice. The practice feels that holistic family healthcare is important. We therefore do not register children under 12 unless they have a parent or guardian registered here as well.

We ask all patients to provide 2 forms of Identification when registering – preferably the child's birth certificate and one other document. Please speak to the Reception team if this is a problem.

Personal Details

Title: Surname:	Forename(s):
Address:	
.....	
Postcode:

North Yate Pharmacy	Shaunak's Courtside	Kennedy Way Surgery
Boots – West Walk	Abbotswood Pharmacy	Shaunak's Frampton
Boots – North Walk	Other:	

Is there any further information you feel the doctor should know?

Summary Care Record

The Summary Care Record (SCR) is a short summary of your child's medical records stored on a secure electronic health records system held at the practice. With your permission, this system can allow us to share the full health record held here with other hospitals and organisations that provide care. This will allow doctors and nurses to see what has already happened, the medicines your child is taking and what they are allergic to. This can be extremely helpful in an emergency, when the surgery is closed or at out patient clinics.

Please choose **ONE** of the following options:

YES – I would like my child to have a Summary Care Record

- Consent for medication, allergies and adverse reactions only
- OR
- Consent for medication, allergies, adverse reactions and additional information

NO – I would **not** like a summary care record

- Express dissent for Summary Care Record

Patient Messaging

At the surgery we occasionally communicate with our patients by SMS text message including appointment reminders/ email with practice newsletters. You can withdraw from this service at any time by contacting us

- I consent to receive text messaging on the number listed on page 1
- I consent to receive emails at the address listed on page 1

Online Services – only available with photographic identification

This service offers parents or guardians of patients under 12 the opportunity to book appointments, order repeat medications and view a summary of their electronic medical record from the date of registration with us.

Please make sure you sign and date this form

- I would like to renew medication, make appointments and view my medical record from the date of registration

Three months before your child becomes 12, the practice will contact you to review this proxy access and amend mobile phone and email details.

Patient Declaration:

I confirm that the information I have given on this form is correct to the very best of my knowledge. I confirm that I consent to the services I have ticked above.

Signed: Date:

Welcome to Wellington Road Family Practice

Some information about us

We welcome you to Wellington Road Family Practice. We are a small practice and are proud that we know our patients well. We have male and female GPs working at the practice. There are always two GPs available in a morning and also in an afternoon. You can see which GP is available at each session by accessing the practice website: <https://www.wellingtonroadfamilypractice.co.uk/>

The practice is part of Cadbury Health Healthcare although patients registered at Wellington Road Family Practice are always seen in Yate. The doctors, nurses and staff at the surgery are proud to have been voted the top GP practice in the greater Bristol area yet again in 2019/20.

If you need to see a doctor

If you feel you need to see a GP, please phone the practice between 8.30 am-11 am in the morning or 3 pm -5 pm. Following the outbreak of the coronavirus, it is not possible to just turn up at the surgery. The receptionist will ask for some brief details about why you are calling and check the number you wish to be called back on. The GP will call you back either on the telephone or by video consultation. If necessary the GP will ask you to attend the surgery with a definite appointment time. They will give you instructions on how to access the surgery.

If the doctor feels you need a prescription, they will ask you which pharmacy you wish to collect the medication from. During these times it is not possible to collect the prescription from the surgery.

If you need to make an appointment to see the nurse

If you need to see a member of the nursing team, you just need to phone the surgery and book an appointment.

The surgery is not open on Thursday afternoon although there is a GP available on call for emergencies only.

Patient Feedback

We actively welcome feedback on any aspect of the surgery or the services it provides. You can leave comments on the website, complete a Friends & Family Form or speak to the practice manager. You may also want to join our Patient Participation Group. We often canvass the views of our members and feedback responses by email. Please ask for details and join in.

Named Accountable GP

The NHS requires patients to be notified of their accountable GP, the person who is responsible for their care. Although you can see either any of the Doctors, to satisfy this requirement, we are informing you that your named accountable GP at Wellington Road is :
